#### **INVESTOR COMPENSATION SCHEME**

We are members of the Investor Compensation Scheme established under Section 38 of the Investor Compensation Act 1998. The Act provides that compensation shall be paid to eligible investors (as defined in the Act) to the extent of 90% of an investor's net loss or compensation of up to €20,000, whichever is the lesser and is recognised as being eligible for compensation. Further details are available on request. O'Leary (Dublin) Insurances Ltd is required to communicate any material change in our home state investor compensation scheme coverage as a result of the UK's withdrawal from the European Union. This disclosure provides transparency to you, our UK client on how your client assets may be treated in the extremely unlikely event that our firm fails while we are in the TPR awaiting full authorisation from the FCA. Our firm's failure would be administered in the Republic of Ireland (ROI), and in the event of our firm's failure, your monies will not be covered (unlike our ROI based clients) by the Investor Compensation Scheme in the ROI or the Financial Services Compensation Scheme (FCSC) in the UK.

#### **BROKERS IRELAND COMPENSATION FUND**

As a member of the Brokers Ireland, we are also a member of the Brokers Ireland Compensation Fund Ltd. Subject to the rules of the scheme the liabilities of its member firms up to a maximum of €100,000 per client (€250,000 in aggregate) may be discharged by the Fund on its behalf if the member firm is unable to do so, where the above detailed Investor Compensation Scheme (established by law) has failed to adequately compensate any EEA client of the member.

#### **LIMITATION OF LIABILITY**

We do not limit our liability in respect of personal injury, death, fraudulent acts or wilful default, however, our aggregate liability for breach of contract, negligence, breach of statutory duty will be limited to €10 million (£10 million for UK clients). This limit represents our liability in relation to direct losses only and O'Leary Insurances (Dublin) Ltd. expressly excludes indirect and consequential losses.

#### **YOUR OBLIGATIONS**

You will not instruct us to provide services which would cause us, nor use our services in any way to violate applicable laws including without limitation bribery, anti-corruption, money laundering, sanctions or data protection laws. It is in your best interests that you review, on a regular basis, the products which we have arranged for you. As your circumstances change, your needs will change which may result in you having insufficient insurance cover. We would therefore advise that you contact us to ensure that you are provided with up-to-date advice and products best suited to your needs.

There are number of new duties applying to our "Consumer" clients as defined under the Consumer Insurance Contracts Act 2019 (the Act). There are also a number of new duties for insurers under the Act. Your insurance policy's Terms and Conditions will set out both you and your insurer's responsibilities under the Act.

For new business, renewals, and mid-term adjustments, you are under a duty to answer all questions honestly and with reasonable care. The answers in any proposal, statement of fact, declaration and any other document provided by you to us must be true and complete. Specific questions will be asked. Where you do not provide additional information (after being requested to do so) it can be presumed that the information previously provided remains unchanged. Completed proposal forms or Statements of Facts will be provided to you. These are important documents as they form the basis of insurance contract between the insurer and you the consumer. You should review and confirm that the answers contained within are true and accurate. An insurer may repudiate liability or limit the amount on foot of the contract of insurance, only if it established that non-disclosure of material information was an effective cause of the insurer entering into the relevant contract of insurance on the terms on which it did.

Please note - if you are not a consumer under the Act, the following duty also applies. In addition to the above, you must also tell us about any other facts, which are likely to affect whether we agree to provide cover, or how we assess the risks proposed for insurance. It is essential that you should bring to our attention any material alteration in risk such as changes of address or use of premises. Any failure to disclose material information may invalidate your claim and render your policy void.

#### **CLAIMS**

It is essential that we are notified immediately of any claims or circumstances which could give rise to a claim. When you notify us you must include all material facts concerning the claim. The Policy wordings will describe in detail the procedures and conditions in connection with making a claim. It should be noted that there is no cover for defence costs incurred without Insurers prior approval.
