# Why O'Leary Insurances?

We are not affiliated with industry groups which ensures independent advice and no additional costs to pass on to our clients.

Our dedicated Financial Specialty team offers:

- Knowledge of the most appropriate insurers to meet your requirements
- Technical advice around bespoke policy wordings
- Quick turnaround on queries
- Significant claims service expertise
- Leverage with insurers – we placed over €100 million of premium across the group for clients in 2016.
- A local presence
- The ability to service all insurances (personal and corporate) from one office
- Access to a reputable global network for clients with a multinational presence.

If you would like to discuss your Professional Indemnity Insurance renewal, please contact us today.
